

5 Benefits of Reading to Your Baby

1 Helps build your child's receptive vocabulary (they learn new words). This helps them learn to talk!

2 Connection ~ it's a snuggly, cuddly time when baby has your full attention

3 Reading books as part of your daily routine provides a sense of security and trust for your baby.

4 Reading books together promotes listening skills and learning

5 Reading aloud to your baby promotes early literacy, giving them a head start when they start school.
